the next event in our Masterclass series

Breakfast Masterclass

in partnership with

Latest research on effective graduate recruitment strategies

Thursday 7 September 2017

Taking place in **The Spencer Hotel** in the Dublin Docklands from 8.30am to 12.00pm on **Thursday 7 September**, this event is designed for HR Directors/Managers, Talent Managers and anyone interested in emerging trends in graduate attraction, recruitment and development.

The Masterclass will feature exclusive new research based on the survey conducted among Irish millennials on their attitude to work and career, alongside panel discussions and 'best practice' case studies. This event is designed to provide you with unique insights as well as giving you plenty food for thought in respect to your current graduate strategy.

Sessions include:

- **Attrition, retention and recommendations** for hiring millennials
- **trendence research:** how to do recruitment data in 2017
- **Maximising alumni networks** – is off-boarding the new on-boarding?

Further details
and speaker
bios will be added
